

HEALTH ALERT regarding recent COVID-19 Pandemic

Please read it carefully.

For the safety and wellbeing of our patients, employees and the community at large, we are asking your assistance in preventing the spread of COVID-19 (or Cough, Common Cold, Flu or other contagious diseases).

At the time of scheduling an office visit or if you already have a scheduled office visit, you will be asked the following questions:

- 1. If you have new onset cough, fever, shortness of breath, fatigue, chest pain or diarrhea.**
- 2. If you have traveled in the past 14 days on domestic or international airlines, and have been in contact with anyone that has travelled from the following locations: China, Iran, European Union, United Kingdom, Ireland, Malaysia, or South Korea.**
- 3. Have attended a large crowded event or taken a cruise in the past 14 days.**
- 4. Have come in contact with anyone diagnosed with COVID-19.**

If you have any doubts or questions, or to cancel your appointment, please call us at 281 – 394 – 0266

Health Advisory

If you are experiencing any of the following symptoms associated with COVID-19 (a disease caused by the Coronavirus):

fever, cough, congestion, fatigue, breathing difficulty, or diarrhea

PLEASE IMMEDIATELY CONTACT YOUR PRIMARY CARE PHYSICIAN or the TEXAS HEALTH SERVICES at 1 – 888 – 963 – 7111

As a precaution and to limit risks, we ask that patients to come to our office alone or to bring no more than one friend or family member into the waiting room.
